CNR Seminar

Survival Analysis, Risk Factors, and Discharge-Time Likelihood Prediction in Hospitalized COVID-19 Patients Using Clinical Data

Friday, August 27, 2021
12:00 to 1:00 p.m.

Dr. Joshua will present his study on the survival analysis, risk factors, and discharge-time likelihood prediction in hospitalized COVID-19 patients. He will discuss the risk factors, hospital stay, discharge time, and outcomes for patients in his study admitted from March 1 to November 30, 2020.

We have applied for 1.0 CE contact hour.

Augusta University Medical Center is approved as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

This will be a live virtual presentation. Please see your Outlook calendar invitation for a link to the seminar, or click on the seminar link on the CNR Seminar web page at https://www.augusta.edu/nursing/cnr/seminars.php
