CNR Seminar

Geographical Disparities in the Management of Type 2 Diabetes

Friday, February 24, 2023
12:00 to 1:00 p.m.

Dr. Glenn will address existing health disparities in the prevalence and management of diabetes in rural versus urban communities. She will describe findings from her study entitled, “The ‘Ups and Downs’ of Living with Type 2 Diabetes Among Working Adults in the Rural South.” Dr. Glenn also will discuss study implications, to include the need for better access to quality diabetes care and other support and resources for diabetes management in rural communities.

We have applied for 1.0 CE contact hour.

Augusta University Medical Center is approved as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

This will be a live virtual presentation on Zoom. Please see your Outlook calendar invitation for a link to the seminar or click on the seminar link on the CNR Seminar web page at:
