From Presentation to Publication: Writing Word by Word

Friday, December 08, 2023
12:00 to 1:00 p.m.

All of you probably have presentations that can become publications. Some of you may have ideas you would like to turn into publications. Dr. Jennings' remarks will cover multiple aspects of the writing process with an emphasis on writing pointers and habits. She will include practical examples from her own experience including dealing with "rejections."

We have applied for 1.0 CE contact hour for nurses.

Wellstar MCG Health is approved as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This will be a live virtual presentation on Zoom. Please see your Outlook calendar invitation for a link to the seminar or click on the seminar link on the CNR Seminar web page at:
