## Strategies for Improving Graduate Writing

Friday, October 20, 2023  
12:00 to 1:00 p.m.

Drs. Bond and Garner will share tips for mentoring graduate writers through the writing process. They will focus on concrete strategies for providing revision-oriented feedback and will explain how teaching writing as a process and making feedback future-focused promotes skill acquisition and growth.

We have applied for 1.0 CE contact hour for nurses.

*Augusta University Medical Center is approved as a provider of nursing continuing professional development by South Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.*
