OneUSG Update

June 11, 2019

Dear Augusta University Faculty and Staff,

I want to remind you that OneUSG Connect will be deployed on June 16, changing a variety of workforce management processes. OneUSG Connect is replacing PeopleSoft HRMS, SoftServ and TimeNet for Augusta University employees. Rest assured, this implementation will impact you.

Please know that the HR, Finance and IT teams have been working diligently to make sure this is a positive and beneficial change. No one expects that it will happen without a few bumps in the road, but our colleagues are working to minimize these.

If you have not already done so, please visit the [OneUSG Connect](#) website to find more information about this new platform, how it will affect you, and answers to many of your questions and concerns. Should you have additional questions, please email AU_ONEUSG_CONNECT@augusta.edu.

I appreciate your attention to this important project, and I ask for your patience as we move forward with OneUSG Connect.

Thank you,

Brooks A. Keel, PhD
President, Augusta University
Chief Executive Officer, AU Health System
Chair, AU Medical Associates
