Seizures, Spells and Shakes:
Neurology for the Non-Neurologist
July 11-13, 2019

OBJECTIVES
The symposium should prepare participants to:
• conduct a neurological examination and determine when to order neurological investigations
• recognize common neurological problems
• manage common neurological symptoms, including headaches, seizures and dizziness
• utilize new treatment techniques for neurological diseases
• recognize and manage movement disorders such as Parkinson’s disease
• manage neurological emergencies such as strokes and seizures
• list strategies to diagnose and manage Parkinson’s disease, MS, chronic pain, TIA and movement disorders

This course always receives enthusiastic reviews from enrollees. In the words of one physician, “This is the best clinical course that I have ever attended. I particularly appreciate the fact that the course hit just the right level for a primary care physician.” After one course, 100 percent of participants felt the course met the stated objectives.

TARGET AUDIENCE
This case-study course will provide an overview of common neurological problems for non-neurologists.

CREDIT
The Medical College of Georgia at Augusta University is accredited by the Accreditation Council for Continuing Medical Education to provide continuing education for physicians. The Medical College of Georgia at Augusta University designates this live activity for a maximum of 12.75 AMA PRA Category 1 Credits™. Physicians should only claim the credit Commensurate with the extent of their participation in the activity.

MAINTENANCE OF CERTIFICATION
Successful completion for this CME activity, which includes participation in the evaluation component and post-test, enables the participant to earn MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points up to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit after the participant provides individual data.
Seizures, Spells and Shakes: Neurology for the Non-Neurologist
July 11-13, 2019

COURSE SCHEDULE

Location: East Beach Conference Center
Wednesday July 10, 2019
5-6 PM  Early Registration

Thursday, July 11, 2019
7:30  Early registration and Continental breakfast
8:00  Welcome and Introduction to the Course - J. Ned Pruitt II, M.D.
8:15  "The Quick Neuro Exam": Live demonstration - J. Ned Pruitt II, M.D.
9:15  "I Can’t Stop Shaking": Evaluation and Management of Tremors - John Morgan, M.D., Ph.D.

Seizures, Spells and Shakes: Neurology for the Non-Neurologist
July 11-13, 2019

LOCATION & LODGING

Kiawah Island is ten miles of wide, immaculate, oceanfront beach that invites you to stroll or cycle for hours without interruption. Soothing by day, romantic by night, the beach is complemented by the island’s river, meandering lagoons, pristine marshlands and maritime forests. Each sun-washed day ends beneath a star-studded southern sky. Kiawah Island Golf Resort is a destination like no other. Guests enjoy world-class accommodations, amenities and recreational facilities so you can fully experience the resort lifestyle.

Located less than 30 miles south of Charleston, S.C., Kiawah Island Golf Resort consistently ranks as one of the country’s top resorts. It includes The Sanctuary at Kiawah Island Golf Resort, the resort’s ultra-luxury 255-room hotel and spa – and nearly 500 private villas and luxury homes, five championship golf courses, including The Ocean Course, host of the 1991 Ryder Cup, the 2012 PGA Championship and upcoming 2021 PGA Championship. For 10 of the past 12 years, the resort has ranked as the number one tennis resort in the world by TennisResortsOnline.com, and features an award-winning recreation and nature program. Beginning spring 2018, Kiawah Island Golf Resort launched a three-year development that will greatly enhance the resort’s already world-class amenities. For more information, visit www.kiawahresort.com.
