## **CURRICULOG: CREATING AN IMPACT REPORT**

#### **PROCESS**

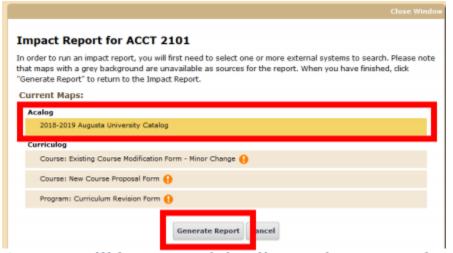

The Impact Report is used to determine what courses or programs will be impacted by the potential course revision or inactivation. This report is a required attachment for all course revision and course inactivation proposals. Step by step instructions for generating this report are listed below. Contact <a href="mailto:curriculog@augusta.edu">curriculog@augusta.edu</a> if additional information is needed

#### **CREATING AN IMPACT REPORT INSTRUCTIONS**

- 1. Navigate to the Course Revision Information section of the proposal and enter the course prefix and course number of the course you wish to revise or inactivate. Save.
- 2. Select the "Run Impact Report" icon on proposal menu bar to generate an impact analysis report

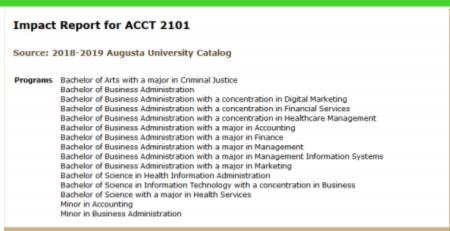

3. A dialogue box will appear. Select the current catalog listed under Acalog. Select "Generate Report".

4. A report will be returned that lists each program that this course is part of the curriculum. Print this page to a PDF and save. This report will be uploaded to the proposal at a future step.

# **CURRICULOG: CREATING AN IMPACT REPORT**

5. Based on the returned list of programs, each college dean will need to be notified of the revision and an approval memo obtained. The approval memo(s) will be uploaded at a future step.
