STUDENT RECORD UPDATE FORM

Degree-Seeking Students are eligible to update their student record with appropriate approval. MCG Students are eligible to add a Clinical Campus, if needed for the completion of a rotation. Non-Degree Seeking Students are not eligible to update their student record and must apply via Academic Admissions as Degree Seeking to make any changes. As students are reported in their curriculum to the Department of Education at the beginning of each term and any changes to curriculum during a term may impact the assessment of tuition and fees, updates submitted after the published drop/add period on the academic calendar will be effective for the next term. Upon completion of the form, submit to records@augusta.edu.
