## PROCESS & PROCEDURES

Operation and maintenance of AU Vehicles must be done in accordance with [OPB Policy Memorandum 10](#).

1. **Authorized University Drivers:** Only Authorized University Drivers may drive University Vehicles, however infrequently and regardless of location. To be an Authorized University Driver, individuals must meet the applicable eligibility criteria, complete the application process, and receive formal designations as an Authorized University Driver from AU Vehicle Services. Department Heads are responsible for determining which individuals in their departments need to be Authorized University Drivers to complete their work responsibilities. Authorized University Drivers must complete the authorization process annually. Department Heads are responsible for ensuring their employees complete the authorization process annually.

AU Vehicle Services shall oversee these procedures. During the onboarding process, AU

Human Resources will obtain driving history reports (MVRs) as part of background checks on all new hire positions that require an Employee to drive as part of their duties.
