

I. Immunization Admission Requirements

- a. Immunization Requirements are based on the College of your major.
- b. Once your immunization record has been completed and signed by a healthcare provider, upload all documents, including your TB questionnaire and lab antibody test results, to <https://augusta.medicatconnect.com>.
- c. You will receive a message via text and to your AU email regarding your status – everything is complete or with information about what is still missing and required before registration.
- d. If you have further questions or like information on obtaining immunizations and what vaccines and lab tests are available at the Student Health Clinic, please email immunizations@augusta.edu.
