Complete the items until all have been checked as received. These must be completed before you submit your application.
This is an example of one of the items you will need to complete. Be sure to click “submit” for the item to be checked off on your Applicant Homepage.
Now that all items have been checked off, be sure to click “Submit Application.” This completes the pre-decision paperwork.
A green banner will appear to confirm that you have submitted your application successfully. ONLY THEN IS YOUR APPLICATION COMPLETE.
This is what will show up on your Terra Dotta Applicant Homepage if you choose to visit it after you have submitted your pre-decision materials/application.
